She also studied in **Madrid at St. Louis University in 2002** -International Affairs - and **Singapore in 2007**: Lee Kuan Yew School of Public Policy, National University of Singapore - with a specialization in the Economics of Asia.

AXIOM ALTERNATIVE INVESTMENTS

Founded in 2006, Axiom Alternative Investments is an independent asset management company that combines the complementary expertise of asset managers and investment bankers, formerly specialized in structuring and hybrid debt origination. The company currently manages around EUR 420 million through several strategies (subordinated debt issued by European financial institutions, short-term bonds, special situations).

The Company markets four retail funds (Axiom Obligataire, Axiom Premium, Axiom 2014 and Axiom 2018) and also provides institutional managed accounts and contractual funds.

Axiom Alternative Investments is headed by David Benamou, Jerome Legras, Philip Hall, Adrian Paturle, Francois- Xavier Lenier. Their technical expertise and extensive knowledge of banking regulation and its evolution permits them to select subordinated debt investments whose value is ignored and misunderstood.

Client types tend to range from institutional clients or Family Office (High Net Worth), Axiom Alternative Investments also approaches individuals via IFA channels.
